PRIVATE SCHOOL MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING.

The financial statements and supporting schedules of AL-GHANI LEARNING

presented to Alberta Education have been prepared by the private school's management which has responsibility for their preparation, integrity and objectivity. The financial statements and schedules, including notes, have been prepared in accordance with Canadian Accounting Standards for Not-For-Profit organizations and Ministerial requirements for Alberta funded private schools.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the private school's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the private school's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong budgetary system of control.

The ultimate responsibility for the financial statements lies with the Board of Directors. The Board reviewed the financial statements with management in detail and the Board approved the financial statements for release.

INDEPENDENT AUDITOR'S REPORT

To the Members of Al-Ghani Learning

Opinion

We have audited the financial statements of Al-Ghani Learning (the "organization"), which comprise the statement of financial position as at August 31, 2024, the statement of operations, changes in net assets, cash flows and supporting schedules for the year ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at August 31, 2024, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the organization in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

(continues)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Al-Ghani Learning
Notes to the Financial Statements
For the year ended August 31, 2024

1. AUTHORITY AND PURPOSE

Al-Ghani Learning (previously named Asasa Learning Ltd.) was incorporated in March 2009 under the Business Corporations Act of Alberta as a not-for-profit organization and is exempt from tax under section 149(1) of the Income Tax Act. Al-Ghani Learning operates as Asasa Academy. Al-Ghani Learning delivers education programs under the authority the Education Act, Private Schools Regulation, Alberta Regulation 93/2019 (formerly, School Act, Private Schools Regulation).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian Accounting Standards for Not-For-Profit Organizations ("ASNPO") in Part III of the Canadian CPA Handbook. The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates and approximations. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

a) Cash and Cash Equivalents

Cash and cash equivalents include cash and term deposits with maturities of less than twelve months. Cash is subject to restrictions that prevent its use for current purposes is presented as restricted cash.

b) Capital Assets

Capital assets are recorded at cost, and are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Computer equipment and software	3 years
Furniture and fixtures	5 years
Motor vehicles	5 years
Playground equipment	10 years
Leasehold improvement	10 years
Bus	10 years

There is no amortization charged in the year of acquisition.

Capital assets with costs in excess of $5,000 are capitalized. Any capital allocations received for asset additions are amortized into revenue over the same period as the amortization expense.

c) Revenue Recognition

Revenue is recognized as follows:

Instruction and support allocations are recognized in the year to which they relate. Instructional, registration and transportation fees received in advance of the next school year are recognized as deferred revenue in the year of which received.

Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued from previous page)

Administration fees, such as operation fees and enrolment fees are recognized as revenue at the time of registration.

Unrestricted contributions are recognized as revenue when received and receivable. Contributions in-kind are recorded at fair market value when reasonably determinable.

Externally restricted contributions are deferred and recognized as revenue in the period in which the restriction is complied with.

d) School Generated Funds
These are funds which come under the control and responsibility of the school principal and are for school activities. These funds are usually collected and retained at the school for expenditures paid at the school level (e.g. yearbook sales, graduation fees, field trip fees, etc.).

e) Prepaid Expenses
Certain expenditures incurred before the close of the school year are for school supplies, which will be consumed subsequent to the year-end, and are accordingly recorded as prepaid expenses. Certain insurance expenses fall into this category.

f) Vacation Pay
Vacation pay is paid in the period in which the employee earns the benefit unless the employee requests to have their vacation pay accrued.

g) Contributed Services
Volunteers contribute a considerable number of hours per year to schools to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school generated funds. Because of the difficulty of compiling these hours and the fact that these services are not otherwise purchased, contributed services are not recognized in the financial statements.

h) Operating and Capital Reserves
Reserves are established at the discretion of the Board of Directors of Al-Ghani Learning, to set aside funds for operating and for capital purposes. Such reserves are appropriations of unrestricted net assets. There are no reserves of this nature recognized in these financial statements.

i) Income Taxes
Al-Ghani Learning is registered as a not-for-profit organization under the Income Tax Act ("the Act") and, as such, is exempt from income taxes. In order to maintain its status as a not-for-profit organization under the Act, Al-Ghani Learning must meet certain requirements within the Act. In the opinion of management, these requirements have been met.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued from previous page)

j) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the school year is expensed.

Allocation of Costs

- Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification where possible. Common costs are allocated based on management's best estimate of the program consuming the related costs.

Program reporting

The Al-Ghani Learning's operations have been segmented as follows:

- **Early Children Services (ECS)**: The provision of Early Childhood Services education – kindergarten instructional services that fall under the basic public education mandate.
- **Instruction (Grades 1- 12)**: The provision of instructional services for grades 1-12 fall under the basic public education mandate.
- **Operations and Maintenance of Schools (Grades 1 to 12)**: The operation and maintenance of all school buildings.
- **Transportation (Grades 1 to 12)**: The provision of regular and special education bus services (to and from school) whether contracted or board operated, including transportation facilities.
- **Board and System Administration (Grades 1 to 12)**: The provision of board governance and system-based/central office administration.
- **External Services**: All projects, activities and services offered outside the public education mandate for students. Services offered beyond the mandate for public education are to be self-supporting, and Alberta Education funding may not be utilized to support these programs.

k) Government Assistance

Government assistance is recognized when there is reasonable assurance that the conditions attached to the government assistance will be met and that assistance will be received. Government assistance is recognized as income over the periods necessary to match it with the related costs that it is intended to compensate.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued from the previous page)

l) Financial Instruments

Al-Ghani Learning recognizes its financial instruments when it becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at their fair value, including financial assets and liabilities originated and issued in a related party transaction.

At initial recognition, Al-Ghani Learning may irrevocably elect to subsequently measure any financial instrument at fair value. Al-Ghani Learning has not made such an election during the year.

Al-Ghani Learning subsequently measures all financial assets and liabilities at cost or amortized cost.

Transaction costs and financing fees directly attributable to the origination, acquisition, issuance, or assumption of financial instruments subsequently measured at fair value are immediately recognized in the excess (deficiency) of revenues over expenses for the current period. Conversely, transaction costs and financing fees are added to the carrying amount for those financial instruments subsequently measured at amortized cost or cost.

Al-Ghani Learning's financial instruments consist of cash, accounts receivable, prepaid expenses, accounts payable and accrued liabilities, and deferred contributions. It is management's opinion that Al-Ghani Learning is not exposed to significant interest rate, currency or credit risks arising from these financial instruments. Unless otherwise noted, the fair values of these financial instruments approximate their carrying values.

m) Financial Asset Impairment

Al-Ghani Learning assesses impairment of all its financial assets measured at cost or amortized cost. When there is an indication of impairment, Al-Ghani Learning determines whether it has resulted in a significant adverse change in the expected timing or amount of future cash flows during the year. If so, Al-Ghani Learning reduces the carrying amount of any impaired financial assets to the highest of: the present value of cash flows expected to be generated by holding the assets; the amount that could be realized by selling the assets; and the amount expected to be realized by exercising any rights to collateral held against those assets. Any impairment, which is not considered temporary, is included in current year excess (deficiency) of revenues over expenses.

Al-Ghani Learning reverses impairment losses on financial assets when there is a decrease in impairment and the decrease can be objectively related to an event occurring after the impairment loss was recognized. The amount of the reversal is recognized in the excess (deficiency) of revenues over expenses in the year the reversal occurs.

GST rebate receivable	**$19,238**	$19,704
