Principal's Message

We've had an excellent first month. The students are well into the daily routine again.

We want to give a special thank you to the McKinnon-dePage family for all the books they donated to the Academy's library. Members of the parent council are working to catalogue these books so that students can take them home.

General Reminders

Blogs: For more information about what is happening in your child's classroom, visit the classroom blog. A list of the blogs is located on our website at www.asasa.ca/services/classroom-blogs.

Lost and Found: Please ensure that your child's name is on all articles of clothing that come to the Academy. Anything that is found and not labelled will be posted on our Lost and Found blog at AcademyLostandFound.wordpress.com.

September Events

Terry Fox Run

Students had a wonderful time running around Cambrian Park on September 24th. We raised $275 to support Cancer Research. A special thank you to all the parents who joined us this day. We loved having you here.

Culture Day

We have so many different cultures represented at the Academy. It was fun to see the students in ethnic dress.

Health Matters

Serving healthy snacks to children not only provides good nutrition and helps with learning, but it prevents potentially -disabling diseases. We encourage you to send fruit in your child's lunch for a snack. Fruit is naturally sweet, so most kids love it. It can be served whole, sliced, cubed, canned, or dried.

Monthly Value: Respect

As students learn about respect this month, they will look at the life of Nelson Mandela, the South African activist and former president who helped eradicate apartheid in his country. His example of dedicating his life to change the laws in his country to be more respectful of all people and encouraging the people to treat one another with more respect will be used to help students find ways they can be more polite and courteous and treat all people with dignity.
