Principal's Message

The excitement of Halloween is now over and students are beginning to prepare for the winter concert. They are also in the midst of final evaluations for their report cards which will be completed at the end of this month.

It is the time of year when field trips will be happening. We encourage parents to ensure their police record checks are up to date so they can volunteer.

General Reminders

Blogs: Be sure to take a look at your child's classroom blog. The blogs can be accessed through our website at www.asasa.ca/services/classroom-blogs.

Lost and Found: Unclaimed items are starting to pile up. Please take a look at AcademyLostandFound.wordpress.com to see if anything belongs to your child.

October Events

Magic Show

Students enjoyed our annual magic show. They were very excited to see things disappear, reappear and to take part in making the 'magic' happen.

Halloween

Prior to our Halloween dance party, some students sang a song about our monthly value: Respect. Then they had a great time dancing.

Health Matters

Students in grades 1-5 eat their snacks outside at recess. We encourage parents to send a nutritious snack that is also easy to eat on the go:

- Babybel or String cheese
- Yogurt tubes
- Granola bars
- Pumpkin seeds or sunflower seeds
- Cut up fruit or vegetables

Monthly Value: Responsibility

As we remember those who have served in the military and given their lives to protect the freedoms we enjoy in Canada, students will learn about responsibility.

Lieutenant Colonel John McCrae exemplified responsibility in his life. He was a diligent student who earned a scholarship to attend the University of Toronto where he studied medicine. When wore broke out overseas, he felt it was his duty to enlist. He cared for hundreds of wounded soldiers each day.

He wrote the poem "In Flanders Fields" which inspired a sense of responsibility in others to support the war effort.
