Principal's Message

In order to be more in line with Alberta Education requirements, we will be making changes to Asasa Academy's physical education program for the 2016/17 year. We will be hiring a certified teacher to be the Physical Education Specialist.

This specialist teacher will teach the required curriculum in daily gym classes. He or she will also provide additional sport opportunities for students. These will include organized sport activities, swimming classes, skating, bowling, etc. We will continue to collect a monthly physical education fee to pay for new equipment, busing, and involvement in off-campus opportunities.

We are grateful to Sifu George for his tremendous support in helping to grow Asasa Academy over the past four years. His Matial Arts program drew many students to Asasa. We hope you will join us in thanking him for all the work he has done.

May Events

Integrity Assembly

Jassica and Jaime led our discussion on integrity this month. Miss McCrea's class then performed a little song.

Career Day

It was such fun to see what our students want to be when they grow up. We had a variety of doctors, teachers, professors, politicians, performers, athletes, scientists, and more.

Martial Arts

Congratulations again to all the students who received their yellow belts in May. Below are some of the students as they participated in the ceremony.

General Reminders

Registration Forms: If you have not yet returned your 2016/17 registration forms, please do so as soon as possible.

Summer Camp: Be sure to register for Asasa's summer camps. Current and former students are welcome to participate.

Summer Uniform: With the warmer weather, students may wear the summer uniform: short -sleeved Asasa shirt, grey skort/pants, school tie, navy socks, black shoes. Please be sure your daughter wears modesty shorts if she wears the dress.

Reading Club: We encourage all students to enroll the public library's summer reading club. It is a free program for children and will help them maintain their reading skills throughout the summer. Registration begins June 17th at your local library branch.

Monthly Value: Fairness

Students will be learning about Louise Arbour, a Canadian lawyer, prosecutor and jurist. Throughout her career, Judge Arbour has been a champion for human rights and fairness. She served as the chief prosecutor of war crimes before the International Criminal Tribunals for Rwanda and the former Yugoslavia. She has also served as the United Nations high commissioner for human rights.
