Principal's Message

We had a great month!

Thank you once again to Ms. Khanam and the parent volunteers who helped us with this year's science fair. The following are the science fair winners: 1st Place: Kavya (Grade 4) and Ayesha (Kindergarten), Second Place: Jan (Grade 5/6) and Jon (Grade 1), People's Choice: Gurtej (Grade 3) and Anika (Kindergarten).

Here's to having the weather warmer and enjoying May!

April Events

Assembly

Ms. Fusarelli's grade 1's and Ms. Virk's grade 5/6's did a wonderful job with their assembly on Integrity. We learned that integrity means doing the right thing. It was a very creative assembly with two skits, a slideshow, video and even an integrity rap. Thank you, boys and girls for teaching us about this important virtue.

Earth Day

Students learned about ways to protect our planet and created some wonderful artwork to go with it. Remember to always use the three R's: Reduce, Reuse and Recycle!

School Project

Students in ASASA love to make and present projects! Students in Grade 4 learned about health and nutrition and experimented with mold, while students in Grade 3 made their own musical instruments to show what they had learned in Science.

We also had some amazing Science Fair Projects from, Grade KG – 6. Congratulations again to the winners.

Fieldtrips

The junior kindergartens went on two fieldtrips this month. First EMS came for a visit and taught about health and safety, then they went to the Calgary Public Library.

Girl Power Club

Ms. Pope hosted 2 rounds of Girl Power Club. This club was for girls from Grade 1 – 6. The idea was for girls to learn to treat each other kindly, including themselves. We watched videos, sand songs, made friendships rings and played games. Most importantly we built our self- esteems! Go Girl Power!

General Reminders

Summer Uniform: With the warmer weather, students may wear the summer uniform which includes; short sleeved ASASA shirt, grey skort/pants, school tie, navy socks and black shoes. Please be sure girls wear a modesty short under the tunic if wearing only knee high socks. Also, please think about proper shoes and light jackets for rainy days.

Spring Photos: Student may wear spring clothes for photos on May 14th. These are individual photos you may order if you wish

Parent Council

If you would like to communicate with parent council, please contact them at PAC@asasa.ca
