Principal's Message

We've made it to June 2021! It has been a challenging year with all the new Covid-19 procedures and the responsibility to focus on safety, but I am very proud of how hard my staff worked this year. Thank you as well to the families and students who patiently worked to navigate these new norms.

Being able to offer families both online and in-person instruction simultaneously was a huge benefit and success.

It is bittersweet to see the year come to an end. I hope you all have a fantastic summer!
