Kindness

Principal's Message:

Firstly, I wish you all a happy black history month and Happy Chinese New Year, the Year of Tiger, to those having it. Also, we have some important focuses this month, including; anti-bullying and kindness. You are bullied when someone hurts or scares you on purpose. The person being bullied finds it hard to defend themselves. Our moral duty is to be kind and stop such actions if we see them happening. People use different ways to bully each other, even if they don't realize it at the time. Therefore, we should encourage kids to share with their parents or teachers if they are being bullied. Moreover, help is also available at national level to protect everyone from this action.

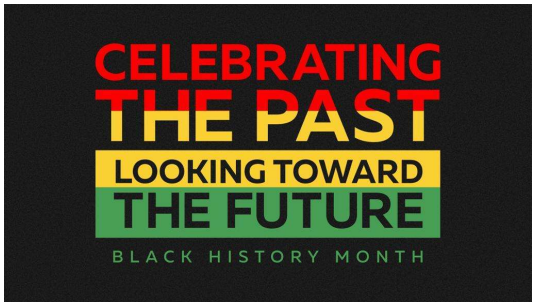

https://www.bullyingcanada.ca/get-help/

We will be celebrating anti- bullying with Pink Shirt Day on Friday, Feb. 25th.

Black History Month:

The month of February is celebrated as Black History Month in Canada. It is one way of paying tribute to the Black Canadians in making Canada a wonderful country. The Prime Minister Justin Trudeau, in his message for this month, said, "Today marks the start of Black History Month. It is a time to honour the legacy of Black Canadians, past and present, and recognize and celebrate the significant contributions they continue to make to our country. !

January Events

Class Assembly:
Ms. Bauer and her grade 5/6 students presented different ideas on January's virtue" Optimism." through their class assembly. Thank you very much, everyone, for this excellent presentation.

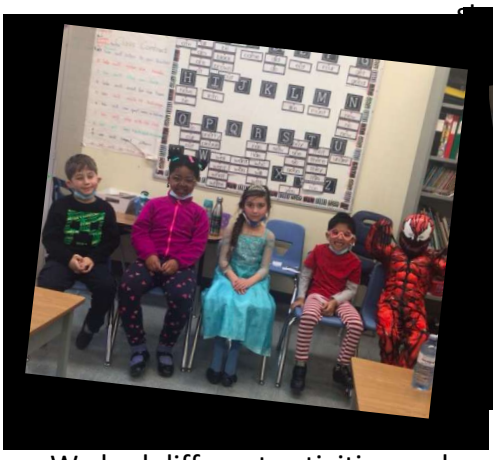

Grade 1: Rock my sock with Reading.

Literacy:
We celebrated Literacy in January through different fun-filled activities. Parents, teachers, students, and school Principal contributed to this event in one way or the other. Thanks to the parents who read interesting and informative stories online for our

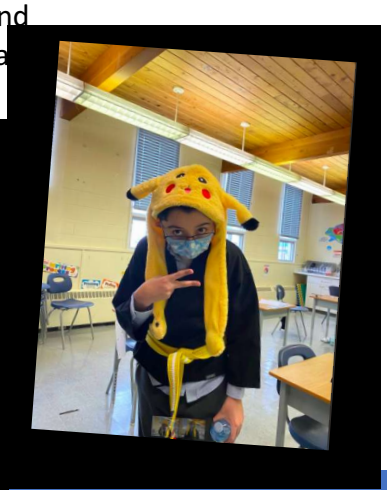

We had different activities such as Hats off to Literacy, Rock my Sock with Reading, and dressing up like A Book Character Day a school during literacy month.

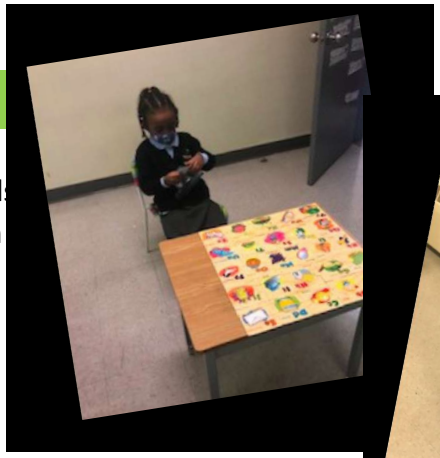

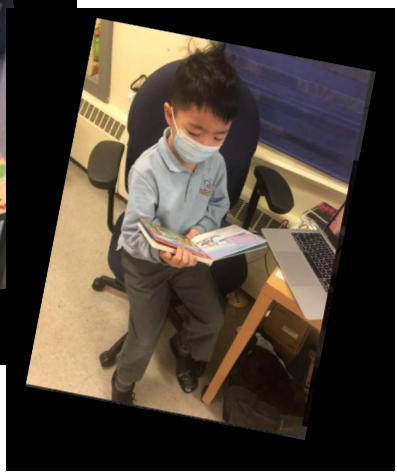

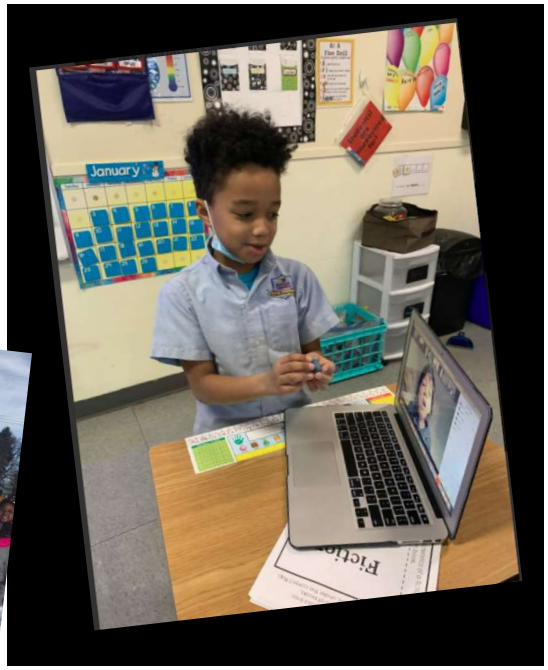

January Events

Teachers at ASASA Academy incorporate hands on, independent, and inquiry-based learning in instructions to make their students lifelong learners. This strategy also enhances students' critical thinking and confidence.

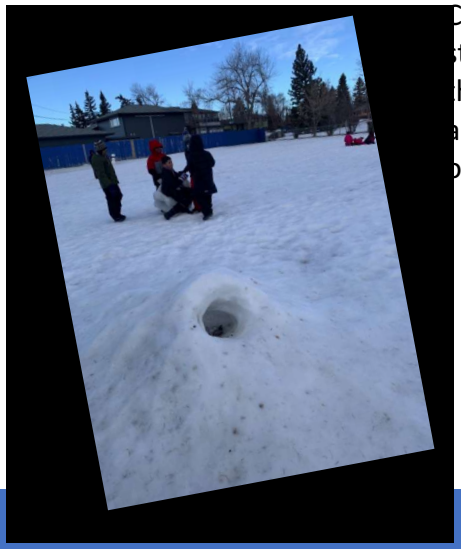

Grade 3/ 4 students learned about different properties of rocks. They shared their findings with their peers la

Chilly weather and snow could not stop our students from sho their creativity. They had lo and used snow to make sev objects in this cold.

Save the Date !
