Principal's Message:

Dear parents/guardians, and students,

We wish you a pleasant, safe, and healthy month!!

At the same time, we encourage you not to let your guard down as the COVID-19 cases are still rising around. Therefore, we need to be extra vigilant. You are requested to keep your children at home if they have any COVID-19-related symptoms. Understandably, sometimes it makes our lives very inconvenient, but we have to follow preventive measures to keep other kids and the community at large safe. Please go out with your family and enjoy the pleasant weather. Spring is now upon us, and playing outside is another excellent opportunity for students to explore, learn and grow.

Science Fair April 29, 2022:

We rely on science in our daily lives. Science Fair motivates students to learn more about this vital subject. In addition, such events contribute to students' social development and enhance their confidence and presentation skills.

Moreover, students become well informed about different phenomena happening around them.

Thank you to all parents and students who made this event a huge success. We

congratulate our winners and all aspiring scientists for their participation and enthusiasm.
We welcome ASASA Academy tees and shorts as an option with the warmer weather.
We also want to express our heartfelt gratitude to the parents of grades 4- 6 students who participated in the Alberta Education Assurance Survey. We value your opinion and assure you that we won't leave any stones unturned to provide the best social and academic learning atmosphere to your children, our students.

Science Fair 2022

I am thankful to the parent volunteers, Paul Dellorusso, Mrs. Ritish Sharma, and Mrs. Anita Minhas, for meticulously judging our students' work. Another thank goes to the organizers, Ms. Hill and Mrs. Assia Labtani, teachers, administrative staff and our custodian for contributing to a successful event. Finally, I want to express my heartfelt appreciation to the parents and the students who worked enthusiastically and presented their excellent projects and Science work. THANK YOU SO MUCH, EVERYONE!!

The following are the Science Fair winners:

1st Place: Bani and Tristan (ECS), Aariv(Grade 1), Kaysen (Grade 2), Aanya, Nadia, and Ishan (Grade 3/ 4), and Eknoor (Grade 6).

Second Place: Jiya (ECS), Ryan(Grade 1), Aiza (Grade 2), Mekhi (Grade 3), and Harmanvir Kaur(Grade 5),

The best overall Display winners, Georgia and Charles(Grade 1 and ECS)
