Principal's Message:

Dear parents/guardians, and students,

It is hard to believe that the end of the school year has arrived! Ten months have passed very quickly!

The year's end always brings with it an immense sense of accomplishment. We celebrate the tremendous amount of learning which has taken place during the year. We hope that every student of ASASA Academy will have gained a firm foundation for their education.

This has been a challenging school year and while no one would wish to have this experience repeated. However, this unprecedented situation sowed the seeds of resilience in all of us. We continued to push forward and did the best that we could. We assure you that our staff will be committed to your children's academic, social, and emotional growth in future as well. Our goal is to prepare our young learners for tomorrow, empowering them to shape the world into a place they want to live in.

With optimism, we look forward to the beginning of our next academic year a perfect normal one. Until then, thank you for your continued support and kindness.

Your contribution was noticed and appreciated -we certainly could not have done it alone.

As we enter the last few weeks of the school year and summer is around the corner. We take this opportunity to wish all of you a safe, peaceful, and refreshing summer.

Summer break is the best time to reconnect with your family and make your relationships even stronger. Do the activities that you enjoy the most. It will rejuvenate your soul and prepare you well for the rest of the year. We look forward to seeing all of you in September 2022.

General Reminder:

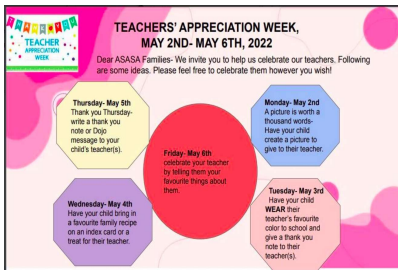

You are requested to **pick up** your child's belongings from school before it closes for the summer break June, 29th. Anything not picked up will be donated, recycled, or discarded.

May Events

Teachers' Appreciation Week :

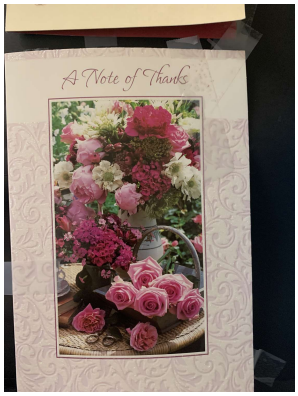

It is said that teachers leave a significant impact on their students' lives. However, our students and their parents also left an incredible mark on our days throughout this week. We will always cherish their generosity and kind words.

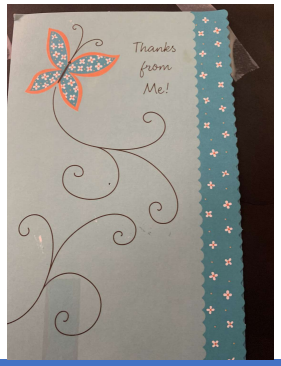

This wonderful week ended with a bang from grade 2's student Adrian Menon who threw a pizza party for the entire school(staff and students).

Kindergarten students wearing their teacher's favourite colours.

May Events

Grades 1& 2 students had an enriching observation of Animals' life by visiting the Calgary Zoo.

All students (K- grade 6) expressed their love and appreciation for their mothers through beautiful songs on Mother's Day.

May Events

Surprise Fire Drill: We had a surprise Fire Drill this month. Students and staff evacuated the building in less than one minute.

Science: Grade 2 students made their thermos in their Science Unit “Heat and cold.”

May Events

In-Line Skating: Grades 3- 6 students enjoyed line- skating under the supervision of a professional trainer this month.

Life Touch Photos: Annual class groups and staff photos from Life Touch

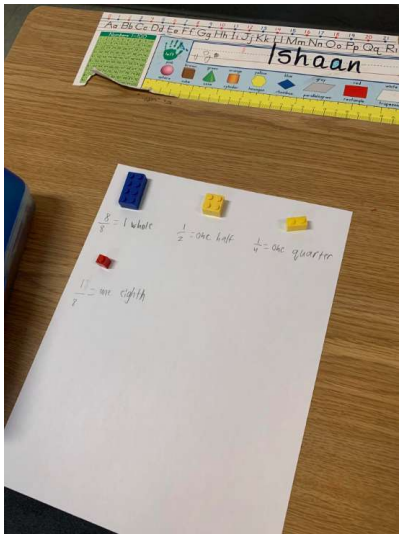

Simple Machines Project: Our grades 3-4 students demonstrated their understanding of simple machines by creating their machines.

May Events

Fractions: Students' comprehension about the important concept of Math "Fractions" was strengthened through the use of manipulatives and baking cookies in grades 3-4

PARENT ADVISORY COUNCIL

I take this opportunity to thank all our Parent Advisory Council members for their fantastic ideas and incredible support throughout the year. They took time to attend our meetings and provided us with their assistance whatever or whenever required.

Save the Date !

Scholastic Book Fair

Monday, June 6- Friday June: Annual Scholastic Book Fair week is an exciting time for ASASA's students. They explore new books, choose their favourite ones, and fall in love with reading.
