ECS (JUNIOR KINDERGARTEN / KINDERGARTEN)

January 2023

Theme of the Month: **Community helpers**

Dear parents/guardians,

Welcome to 2023!
ASASA Academy wishes all our families a healthy, happy, and successful new year!

We hope that you all had a very warm and restful winter break filled with quality time with friends and family. We are so excited to welcome our students back to our classrooms and provide them with some wonderfully engaging learning opportunities. Here at ASASA we are proud to provide children with the highest level of education, and we look forward to continuing our work as a team to facilitate their academic, physical, and emotional growth.

We would also like to take this opportunity to express our gratitude that we appreciate all your support during the first term of school. We would like to **thank you** all for your support, flexibility and patience during term one, and we are optimistic that term two will continue at the same momentum. The support we got from you during the first term is appreciated and acknowledged.

Points to remember: Please ensure your child
dresses in uniform every day unless otherwise specified.
has labelled winter clothing such as a hat, gloves, boots etc.
has healthy snacks, No candies in snack

Concepts We Will Be Covering This Month

Social Studies: The theme for this month is **Community helpers**. We had a wonderful author and nurse visiting our WestWinds campus in December and will be soon visiting other campuses so that our kiddos may have a chance to get inspired by these great helpers of community.

Mathematics: Continue to focus on the counting and formation of numbers 1-10.
Term 2: SHAPE & SPACE (Measurement), 3D shapes.
Measurement (heavy and light, short and tall)
Compare two objects by various attributes: Color,
Same and different size, and shape
Sizes: Small, medium, large.

English Language Arts: Alphabet recognition and phonemic awareness (Jolly Phonics Group 4). The focus will be on learning sight words, beginning sounds, and segmenting sounds (group 1- 3) to make two/ three letter words and read some sight words.

https://www.youtube.com/watch?v=wukU-pyw1Y&t=390s

Science: All things winter. We will be discussing winter clothes, winter sports, and our five senses in the winter environment. We will also be completing a penguin study

Physical Skills and Well-Being: Develop attitude and behavior that promotes a healthy lifestyle, wellness and safety for self and others and assume responsibility for leading an active way of life.

Art: Participate in action songs, finger play, singing games and poems. Students will get to express their creativity and develop their fine motor skills by engaging in art projects that involve coloring, painting, cutting pasting and exploring varied materials.

Learn Today, Lead Tomorrow
