Happy Summer

Dear Parents/ guardians,

Welcome to the last month of this Academic Year, 2022-23. I can't believe how quickly we got here. We have many fun-filled events and activities for this month to make this time memorable for our students. Please make sure you keep up with all the communication. We don't want you to miss anything. Especially read the last page of this newsletter for all important events and activities. This is my last newsletter of this school year. The year's end always brings an immense sense of accomplishment. We celebrate the tremendous amount of learning which has taken place during the year. We hope that every student of ASASA Academy will have gained a firm foundation for their education. We will surely miss our students graduating this year and wish them all the best for their future. For all of you that are travelling this summer, we wish all of you safe travels. I want our whole school community to have a relaxing and rejuvenating summer. We are already making plans and looking forward to an exciting Fall next year. So take care and stay safe.

We also take this opportunity to appreciate your contribution as our partner in students' growth plans. We are grateful to our School Board directors, parents, volunteers, teachers, and support staff who were there with us in all our attempts to provide the best productive learning atmosphere to our students. Your active participation was admired; we certainly could not have done it alone.

Summer break is the best time to reconnect with your family and make your relationships even stronger. Do the activities that you enjoy the most. It will rejuvenate your soul and prepare you well for the rest of the year.

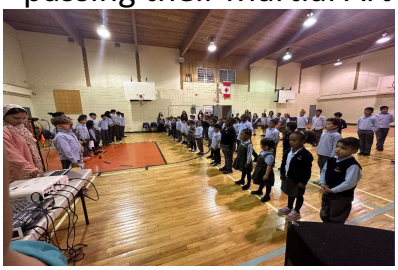

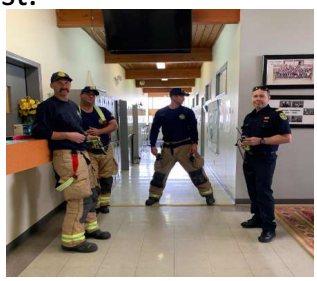

General Reminder:

You are requested to **pick up** your child's belongings from school before it closes for the summer break June, 29, 2023. Anything not picked up will be donated, recycled, or discarded on June 30, 2023.
