Principal's Message

Hello ASASA Families,

September has flown by, and there is no denying our first month together was filled with many highlights, including Terry Fox run and fundraising for Cancer Research Foundation, Culture Day, Grade 2-6 Heritage Park field Trip, Orange Shirt Day, and Grades 2/ 3 Assembly on Courage/ confidence. Parents, students, teachers and administration worked together to make the first month successful. The majority of the students have adjusted to their classrooms and are in the process of reaching the expectations set for them. We are glad to see our Kindergarteners working and demonstrating a positive attitude about their daily routines. They love to make friends and are ready to share their stories with friends and teachers.

Our teachers were equipped with the newest approaches, evidence-informed plans, and strategies through professional development Learning this month.

Teachers from all our campuses attended these PD sessions either in person or through online meetings. We assure you that we will continue providing a productive learning experience to our students by consistently improving teachers' professional knowledge and skills.

Below are information, reminders, and things to remember as we head into October.
