Principal's Message

Dear parents/guardians,

We thank the parents who accompanied our students on their field trips. You helped make your child a lifetime memory that they will cherish later, and of course, you also lessen our teachers' supervision responsibilities. We always want to see you beside us in all our planning, whether for academic or social-emotional purposes. We are also grateful to the parents who talked to their child's teachers on October 20th(School's PD Day). This opportunity for parent-teacher discussions before students' formal evaluations demonstrates our commitment to considering parents our partners. Please use the knowledge you have now after this meeting about your child's progress and help them excel holistically by reinforcing curricular concepts at home.

Students are going to have their First Term Assessment in this month. Please ask your child's teacher about the topics and also reinforce concepts given in the monthly and weekly classroom news.

General reminders

Parent-Teacher Interviews: We will have Parent Teacher interviews in the first week of December 2023. Teachers will be sending home a schedule in the end of this month to book an interview's time slot. It's a First Come, First Serve opportunity. Parent-Teacher Interviews will be conducted in-person r at school.

Report Cards: Reports will be sent home in paper form before Parent Teacher interviews.

Winter Clothing: Be sure to send proper winter clothing for outdoor recess, including; waterproof boots, jackets, hats, gloves/mittens and snow pants.

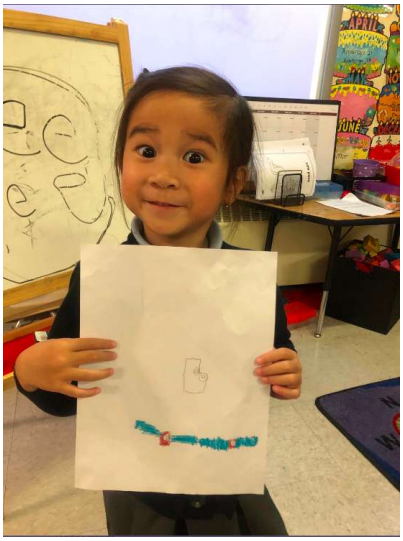

Making students lifelong learners.

We believe that students become lifelong learners by hands-on activities and relating curricular knowledge to their real lives. Therefore, our teachers continuously incorporate various strategies in their classes to achieve this goal.

Parent Advisory Council (PAC)

We are thankful to the parents who became members of our PAC. We had very productive conservation in our first PAC meeting. We will appreciate the suggestions given by the PAC members and assure them that we will be incorporating their invaluable ideas in our academic and social activities. We also invite other parents to contact us if they want to contribute to their children's education by sharing their suggestions.

Monthly virtue: Responsibility

As students learn about responsibility this month, they will look at the life of Canadian Veterans who felt it was their responsibility to fight for the freedoms we enjoy in this country. We will honour their courage and dedication as we try to show greater responsibility in our lives.

Poppies for Remembrance Day are available in the office if you would like to make a donation .

We will be looking at the life of Nichola Goddard, a Canadian solider. She spent her first 3 years of life living in Papau, New Guinea. When her family moved back to Canada she lived for a time in Calgary, Alberta. After she passed, Nichola was awarded the Meritorious Service Medal on October 27, 2006, and her husband Jason became the first widower to receive the Memorial Cross (also known as the Silver Cross). Lest We Forget!
