ECS (JUNIOR KINDERGARTEN / KINDERGARTEN)

February 2023

Theme of the month: Kindness, Friendship & Protecting The Environment

As we navigate through the currents of another semester, let's anchor ourselves in the values that define us.

Kindness, the thread weaving our community together, fosters connections that go beyond the classroom. Friendship, the foundation of our shared experiences, reminds us that we are stronger when we stand together. And in protecting the environment, we safeguard the very playground of our collective growth.

Let's continue to nurture kindness, cultivate friendships, and be stewards of our planet, creating a harmonious tapestry that reflects the beauty of our shared journey.

Students will be encouraged to talk about the theme across subjects like literacy, numeracy, science, social studies and show and tell activities.

February: A Month of Celebrations!!!

We will be celebrating lots of amazing events in the month of February with special activities and fun craft for our students.

Rhyme Day: Our school is gearing up for the rhyme day Competition on February 23rd, where words dance to the rhythm of creativity.

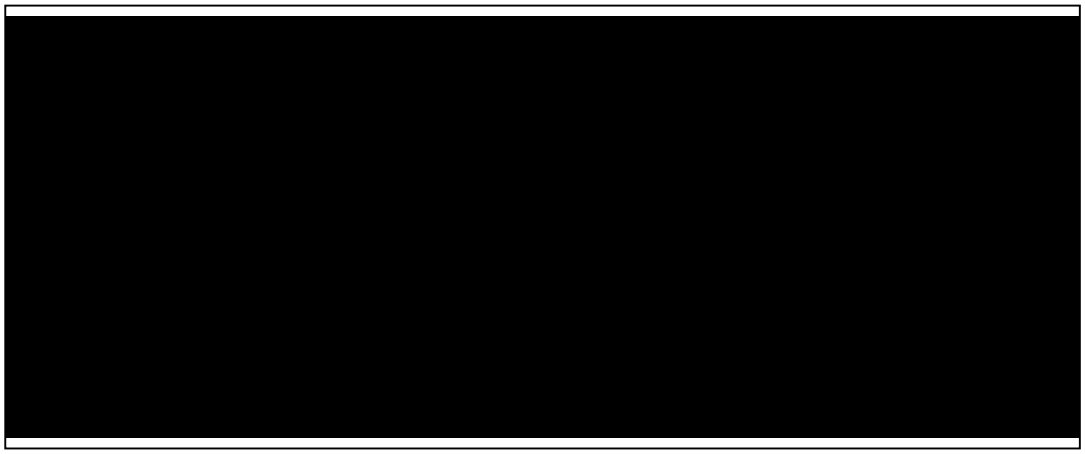

100th Day of School: We will complete our 100 days of school during this month. We will mark this special day on Wednesday, February 21st with fun activities.

Valentine's Day: Students and teachers will celebrate this day on February 14th with lovely craft activities.

Family Day: We will celebrate the essence of family, love, and care with special activities and songs in February

What are we learning this month?

Early Literacy: We will continue to learn and review Jolly Phonics sounds ee, or, oa of group 4 through stories, songs and blending. Syllables, beginning and end sounds to start creative spelling. Retell stories from illustration.

Show and Tell activities:

Students will practise their speaking skills and build confidence through weekly show and tell activities.

Early Numeracy:

Patterns: identifying, reproducing, extending, and creating.
Patterns: AB, AABB, ABC
Writing and counting numbers 1 –10 with tally marks and ten frame

Science:

We will continue with inquiry-based learning to learn about Movements and moving objects both in living and non living.

Social Studies:

This month Students identify how a sense of belonging is supported through people gathering together while following simple expectations and rules.

Physical Skills and Well-Being:

Develop attitudes and behaviors that promote a healthy lifestyle with wellness and safety for self and others. Assume responsibility to lead an active way of life.
