Principal's Message

Welcome Spring!!! We can't wait all the pleasure that comes with it. Temperatures change in April, so please check the forecast. Packing extra clothes in case of mishaps is a good idea. Also, send students dressed appropriately for outside play, as our playground may get muddy and wet.

Our Term 2 parent-teacher interviews were a huge success, with most families establishing a connection with the teachers in their classrooms. The home-school relationship is essential for our students to learn and develop. We are grateful for your yearly trust and support. We also wanted to thank every family who could attend our book fair. The children were very excited.

The School's March 2024 book fair was a huge success!!! Our families purchased almost $19,00 in books, giving the school a reward to buy new books as needed. A huge thank you goes out to Mrs. Shazia Aamir and her supporting teachers, who put in many hours to organize, set up, and run the book fair. THANK YOU ALL!!

The Wednesday, April 24, 2024, is Administrative Professionals' Day. We truly value the support staff's role in creating a secure, nurturing, and effective learning environment for our students, faculty, and families. We especially thank Mrs. Rupal Chauhan, our administrative assistant, for assisting the staff, parents, and kids at ASASA Private School Academy, NW, Calgary. She is the one who answers the phone, welcomes you into the office, take care of sick or injured children, and handles all student records, registrations, and files. We are grateful to her for everything she does; she is fantastic!

General Reminders

Registration(Pre K- Grade 6) for the Academic year 2024-25 is open.

If you know of families who wish to register at our school next year, please urge them to do so quickly, or if you new to the area, please stop by the school to register your children. Registration forms are available at the office. Bring your child's birth certificate, Canadian Citizenship Status card, and Alberta Health Care Card. Our school registrar will help fill out the forms and give you a tour of our school. Please get in touch with the office at 403 285 5677 or write to

Healthy Hunger:

Please talk to Mrs. Assia Labtani on Class Dojo about online payment if you want your child to enjoy fresh food during their break in April.

Emergency Response Practice

Like all schools in our province, we also practice several emergency response drills during the school year. We will practice these drills in our school this month as well.

Lockdown Drill: A Lockdown may be called when a dangerous situation or significant threat is close to or inside the building. Staff and students lock classroom doors and stay quiet together in a safe, secure location.

Evacuation/Fire Drill: An Evacuation procedure may occur when all people must leave the school quickly due to risks inside the school. An example of this situation may be a fire alarm or the smell of natural gas. Please talk to your child about the importance of these practices.
