Principal's Message:

We hope this message finds you well! As we start a new month, we wish you a pleasant, safe, and healthy time ahead. However, we want to remind you to remain cautious as the number of COVID-19 cases remains. It's crucial to be extra vigilant and take preventive measures to keep ourselves and the community safe. If your children exhibit COVID-19- or any contagious related symptoms, please keep them at home. While we understand that this may cause inconvenience, it's essential to prioritize the health and safety of everyone around us. On a brighter note, the beautiful weather of spring is upon us, and we encourage you to spend time outdoors with your family. Playing outside is an excellent opportunity for students to explore, learn, and grow, and we hope you take advantage of this beautiful season!

Science Fair May 16, 2024

The Science Fair, scheduled for May 16, 2024, is crucial to our educational program. It motivates students to learn more about this vital subject, contributes to their social development, and enhances their confidence and presentation skills. Students also become well-informed about different phenomena happening around them. We are confident this event will further enrich

our students' educational journey.

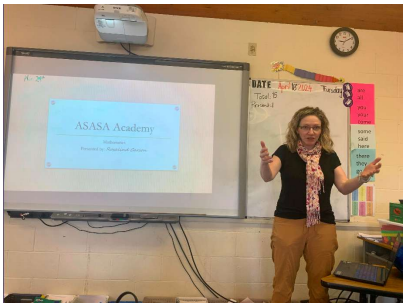

Thank you to all parents and students participating in the upcoming Science Fair.

We need parents volunteers to judge our students'' projects. Please contact your child/ children's teacher to know more about this opportunity. Thank you

Science Fair 2022

I am thankful to the parent volunteers, Paul Dellorusso, Mrs. Ritish Sharma, and Mrs. Anita Minhas, for meticulously judging our students' work. Another thank goes to the organizers, Ms. Hill and Mrs. Assia Labtani, teachers, administrative staff and our custodian for contributing to a successful event. Finally, I want to express my heartfelt appreciation to the parents and the students who worked enthusiastically and presented their excellent projects and Science work. THANK YOU SO MUCH, EVERYONE!!

The following are the Science Fair winners:

1st Place: Bani and Tristan (ECS), Aariv(Grade 1), Kaysen (Grade 2), Aanya, Nadia, and Ishan (Grade 3/ 4), and Eknoor (Grade 6).

Second Place: Jiya (ECS), Ryan(Grade 1), Aiza (Grade 2), Mekhi (Grade 3), and Harmanvir Kaur(Grade 5),

The best overall Display winners, Georgia and Charles(Grade 1 and ECS)
